

⊠ Ezra Event ⊠

Ezra=Help

Join us for a chance to get together and make a difference in our community. An EZRA event is a great way to get volunteer credit hours and hang out with friends your own age. We will have a service project followed by a fun activity. Service projects may include: working with Habitat for Humanity, serving meals at a downtown food kitchen, volunteering at Manna Food Bank, helping out at an animal shelter or Adopting a Highway.

Once the work is done it is time to play. Activities include: movie, bowling, Ultimate Frisbee, swimming, skating rink, pizza, etc. EZRA events will be held at least once a month for homeschoolers. Feel free to bring a friend or ten.

⊠The next scheduled EZRA event is Tuesday, July 15th. We are scheduled to work at Manna Food Bank from 1:30 - 3:30 doing Pack and Sort. Pack and Sort involves organizing and packaging hundreds of boxes of food and essentials for the needy in our community.

Following the service project we will head over to the nearby Recreation Park and Pool for a few hours of swimming!

The pool is less than two minutes away from Manna and carpool is available. Please bring \$3 for swimming and any snacks or drink money. The pool closes at 6:00 so if you are being picked up directions to the pool from Manna are: head northeast on Swannanoa River Rd. (turn right out of Manna), then turn right at Azalea Rd. and turn right onto Gashes Creek Rd. The pool is on your right.

Hope to see you there!

EZRA service projects are affiliated with Western Carolina Athletic Association but the events that follow the service due to liability are not a WCAA sponsored event. (All this means is you swim at your own risk.)
